The Voyeurs Gabrielle Bell

"*The Voyeurs* is the work of a mature writer, if not one of the most sincere voices of her literary generation. It's a fun, honest read that spans continents, relationships and life decisions. I loved it."—Chris Ware, *Acme Novelty Library*

"As she watches other people living life, and watches herself watching them, Bell's pen becomes a kind of laser, first illuminating the surface distractions of the world, then scorching them away to reveal a deeper reality that is almost too painful and too beautiful to bear."—Alison Bechdel, *Fun Home*

"A master of the exquisite detail, Bell provides a welcome peephole into our lives."—Françoise Mouly, *The New Yorker*

"I don't think I could tolerate her if she wasn't so talented."—Michel Gondry, *Eternal Sunshine of the Spotless Mind*

The Voyeurs is a real-time memoir of a turbulent five years in the life of renowned cartoonist, diarist, and filmmaker Gabrielle Bell. It collects episodes from her award-winning series *Lucky*, in which she travels to Tokyo, Paris, the South of France, and all over the United States, but remains anchored by her beloved Brooklyn, where sidekick Tony provides ongoing insight, offbeat humor, and enduring friendship.

Gabrielle Bell's work has been selected for the 2007, 2009, 2010, and 2011 Houghton-Mifflin *Best American Comics* and the *Yale Anthology of Graphic Fiction*, and has been featured in *McSweeney's*, *The Believer*, and *Vice* magazines. "Cecil and Jordan In New York," the title story of her most recent book, was adapted for the screen by Bell and director Michel Gondry in the film anthology *Tokyo!* She lives in Brooklyn, New York.
