## I've already got one...Is another going to fit back there?

For Lisa, work is all about two people: Ivan, her dad's best friend who lets her do what she wants, and Trent, the football star whose flirtations grow bolder by the day. They make time fly by at her job, and a little peek now and then won't hurt anyone! Lisa knows that it's all just fun and games with these handsome men, who are just too busy to appreciate her curves.

But everything's going to change one night when it's just the three of them closing the store. The two of them decide it's time to give Lisa a little retail therapy, if she can handle both of them at once!

Note: This 4500+ word story contains scenes of sizzling sex between THREE adults and is only for those 18 and over. Enjoy!
