## We The Alumni (Champions of Academe Quadranarrative) (Volume 4) Michael Worthy

GCU is now owned by the Galactic Union of Interplanetary Lenders and Dealers. With the university under G.U.I.L.D. control, President Collins is replaced by his kid brother Spectrum as captain of the newly christened Mothership AO. The brothers receive a distress call that members of the Galactic Alumni have been murdered. Surveillance evidence points to Angelique Jackson, a former GCU student. Facing galactic execution, Angelique maintains her innocence. Her plea of innocence is authenticated when a Mo-Riffian assassin named "Iniquita" appears to be one behind the killings. Iniquita takes Angelique to Para-Drake to finish the Aledush ritual, but the Collins siblings come prepared. After assembling an academic fleet, Collins saves Angelique from Para-Drake, but not before Iniquita uses Aledush to travel back in time. Fearing that Iniquita will change history, the GCU crew follow her back to a point in the past that they are all too familiar with: the events of their first adventure.
