Octavia Martin keeps life simple writing music reviews for Edson College's infamous blog. But in one dramatic moment her simple life is flipped upside down by one legendary man, Nev Kellerton, the lead singer of a rock band she negatively reviewed. His playful arrogance irritates her. His pale beauty annoys her. His pull with her editor totally infuriates her. But his erotic touch and whispered promises melts all her defenses.

Nev has no time for negative music reviews, especially from an opinionated human female who doesn't know the difference between old school and new school rock. But her curvaceous figure intrigues him. Her mocha skin and full lips excites him. And her outspoken nature and strange humor totally turns him on.

But Octavia isn't what she appears to be—and neither is he.
