**Duet** Gay Walley, Kurt Haber

*Duet* is a wildly comic story of a beautiful and talented young woman in her 20's living in New York City and her misadventures as she navigates men's desires and fears. When most women look into a mirror, they see flaws in their body. Some of those flaws can end up being the very essence of what some see as a woman's true beauty. Duet, a talented, sensitive, gorgeous young woman, has an unusual anatomy one that might overexcite one man, but terrify another. She has to live with this sexual uniqueness and not see herself as a freak. Men are drawn to Duet. One night she meets Oskar, a handsome young man who is successful, sexy, intelligent, witty and seems able to handle her design. They fall in love, even though he has an aloofness about him that seems a bit odd. It turns out he has secrets of his own. Oskar is also a wild card and turns out to be connected to Duet in more ways than one. Duet is a romp full of vibrant, unexpected characters doing unexpected things, as they love, move toward and away from each other. It's also a metaphor for how we must also risk love, no matter what bodies were given us, and no matter what unusual choices of the heart we make.

### **From reader reviews:**

#### **Betty Terry:**

Do you have favorite book? Should you have, what is your favorite's book? Guide is very important thing for us to learn everything in the world. Each book has different aim or perhaps goal; it means that e-book has different type. Some people sense enjoy to spend their the perfect time to read a book. These are reading whatever they consider because their hobby is usually reading a book. How about the person who don't like reading a book? Sometime, particular person feel need book after they found difficult problem or exercise. Well, probably you will want this Duet.

#### **Mark Clark:**

This Duet is great book for you because the content which is full of information for you who always deal with world and also have to make decision every minute. That book reveal it data accurately using great plan word or we can state no rambling sentences included. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but tricky core information with splendid delivering sentences. Having Duet in your hand like having the world in your arm, info in it is not ridiculous one particular. We can say that no publication that offer you world inside ten or fifteen moment right but this reserve already do that. So , this is certainly good reading book. Hi Mr. and Mrs. active do you still doubt that?

#### **Tiffany Lyons:**

Is it you who having spare time then spend it whole day simply by watching television programs or just resting on the bed? Do you need something new? This Duet can be the response, oh how comes? The new book you know. You are therefore out of date, spending your extra time by reading in this new era is common not a nerd activity. So what these books have than the others?

#### **Oscar Jackson:**

A lot of people said that they feel fed up when they reading a guide. They are directly felt this when they get a half areas of the book. You can choose typically the book Duet to make your personal reading is interesting. Your skill of reading skill is developing when you similar to reading. Try to choose simple book to make you enjoy to study it and mingle the idea about book and reading especially. It is to be initially opinion for you to like to open up a book and go through it. Beside that the reserve Duet can to be a newly purchased friend when you're really feel alone and confuse with the information must you're doing of this time.
