In Deep Thought: My First Words Mr Adrian Hopkins

My books contains poems related to three topics: seduction, love and spiritual. The title, In Deep Thought, speaks the art of creativity as the beat of my heart flows from within my mind. Through time I learned that it takes discipline to focus. To focus effectively I have to close my eyes and allow my mind to open as seen on the cover. The subtitle, My First Words, was given since this is my first published book. In my poems I express my passion for poetry. My readers will be able to relate to the lips of my mind as they hear the voice of my heart as if it was speaking directly to them. My book is motivation for myself as well as inspiration to others to chase their dream until it becomes reality. We should have a line of dreams in our minds and the passion in our hearts to pursue those dreams. Each dream shouldn't be a destination but another step along the journey.
