The Pathfinder Wilderness First Aid: Common Man's Edition provides interested students with the opportunity to learn wilderness emergency care principles as it is taught at the premiere school of wilderness self reliance. Students within the Pathfinder Wilderness First Aid course do not rely on conventional devices for first aid, they learn to utilize their ten piece survival kit and what nature has to offer to best treat themselves and their patients in a potential wilderness emergency. This text provides instant, up-to-date information on how to handle common injuries and illnesses when medical care is hours or even days away. Easy to follow, Pathfinder Wilderness First Aid directs you through the most appropriate type of care. This text is a supplement to the hands on course taught at The Pathfinder School, LLC and would make a nice companion text for anyone interested in learning more about wilderness first aid.
