For the embroiderer who appreciates the value of beautiful stitches but also likes to break a few rules along the way, *Rebecca Ringquist's Embroidery Workshops* is a refreshing new resource for both standard and out-of-the-box techniques.

Based on the popular classes Ringquist leads across the country, *Rebecca Ringquist's Embroidery Workshops* teaches everything from the "proper" way to form a French knot and transfer a design to a canvas to new ways to stitch three-dimensionally, work with nontraditional threads and fabrics, draw with thread freeform, and mix and match machine- and hand-stitching. Also featured are instructions for 20 innovative projects, including a cloth sampler designed especially for the book (and packaged in an envelope at the back), table linens, wall art, and clothing embellishments.
