ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

A Visual Approach to Two-Semester A&P Lab

The highly anticipated **Visual Anatomy & Physiology Lab Manual** (Stephen Sarikas) brings all of the strengths of the revolutionary *Visual Anatomy & Physiology* book (Martini/Ober/Nath/Bartholomew/Petti) to the lab. This lab manual combines a visual approach with a modular organization to maximize learning. The lab practice consists of hands-on activities in the lab manual and assignable content in MasteringA&P®.

This program presents a better teaching and learning experience by providing:

- **Personalized learning with MasteringA&P:** Become engaged with assignable lab activities that help them visualize structures and understand processes—all automatically graded.
- **A visual approach and modular organization:** The two-page modules seamlessly integrate text and visuals to guide you through lab activities—with no page flipping.
- **Frequent practice:** Opportunities for practice include pre-lab questions (Before You Begin, Consider This), post-lab questions (Review Sheets), pencil-to-paper activities (clearly marked with a black triangle), and critical thinking questions (Making Connections). You have the opportunity to practice online with MasteringA&P.
- **Learning Outcomes that tightly coordinate with lab activities:** The clean one-to-one correspondence between the numbered exercise-opening Learning Outcomes and the numbered two-page lab activity modules gives you an easy-to-follow learning path and instructors an easy vehicle for assessment.
