Set in the Ukrainian capital of Kiev during the chaotic winter of 1918 - 19, *The White Guard*, Bulgakov's first full-length novel, tells the story of a Russian-speaking family trapped in circumstances that threaten to destroy them. As in Tolstoy's *War and Peace*, the narrative centres on the stark contrast between the cosy domesticity of family life on the one hand, and wide-ranging and destructive historical events on the other. The result is a disturbing, often shocking story, illuminated, however, by shafts of light that testify to people's resilience, humanity, and ability to love in even the most adverse circumstances.
