Are you a CEO contemplating hiring a full-time CFO? A CEO with an unqualified CFO? A CEO who needs more financial visibility and control for business decisions? An advisor or investor who knows CEOs who fit the above descriptions? Most CEOs don't realize they can implement an effective financial management system that provides the visibility and control required to grow the business without requiring a full-time CFO. This book provides the knowledge to do just that. This forestalls, sometimes for years, the need to hire a full-time CFO, yet still delivers the financial management system that is so critical to success. For business owners who already have a CFO, this book will help them understand what information and disciplines their CFO should be providing them.
