*It's a simple trade: Magical power for your humanity...*

Researcher Anne Crosby came to Russia to solve the mystery of amnesiac Ivan Krempenski. Instead, she became part of the mystery. Never a believer in the paranormal, Anne discovers Ivan's true dragon form-and her own. The old Soviet Union once held Russian dragons captive, siphoning off their magic to cement their power. The resurgent KGB believes enslaving them again will return the Communists to their former might.

New mates Anne and Ivan must learn to control their bewildering new abilities, stay one step ahead of the KGB, and restore their kind before dragons slip into myth...or slavery.
