This textbook-casebook incorporates recent developments in education law into its conceptual framework by offering updated analysis of major topics in education law. With new material in all of its sixteen chapters, the book includes significant updates on church-state relations, employee rights, and student rights. There are now two chapters on student rights; Chapter 13 examines student rights involving due process, discipline, and sexual harassment; Chapter 14 focuses on free speech including student internet use case excerpts from two differing Circuit court cases. The author also includes Supreme Court opinions on strip searches of students, teacher bargaining and free speech rights.
