The Trees ARE Growing: An Americana Singer-Songwriter's Struggle Through Homelessness Marzak Zarben

Memoir Of An Americana Singer-Songwriter's Struggle Through Homelessness "The Tress ARE Growing" is about a Singer-Songwriter who grew up in a large Midwest farm family. Sibling enmeshment, severe anxiety, and a serious sleep disorder disrupt his development through his teens and twenties. In the middle of life's journey at 32, he lived in a stairwell of the abandoned Country Music Hall of Fame in Nashville, Tennessee and then took refuge in the Nashville Rescue Mission for several months. Two highlights of his life happen during this lowest time of his life: working in a major motion picture and being part of a music show on a famous music stage in Nashville. He worked himself back into society and then went back to college to finish his four-year degree. The walk across the stage at graduation was the "walk out of the distant state of humanness". "The Tress ARE Growing" is the story of the survival of an All-American kid who spent over 25 years peeling away layers of problems to get at the source of why life has been a foreign language.
