Trois pièces orientales for piano EL BACHA Abdel Rahman

Originally intended for a scenic music project, which never became reality, so was born the least brief of my works. It is an imaginary ritual "Dance", of orchestral conception and in the form of an arc. I reuse here two orientalising modes of the Prelude composed 8 years earlier. Regarding the 14 variations on an Egyptian air I watched to keep the melody in focus, as oriental audiences remain attached to the lyrical aspect of music. Bacchus is a joyful, orientalising piece, with virtuosity. Its asymmetric rhythm in 7/8 wants to be the rendering of the imbalance caused by drunkenness. -- Code EAN : 9790232113852 Date of publication : 2016 Level : (5 to 6/8) Medium to difficult Format : 21 x 29,7 cm Output format : Printed format Material : Score Instrumentation : Piano Pagination : 36 Style : Modern
