## Visits from the Afterlife: The Truth about Hauntings, Spirits, and Reunions with Lost Loved Ones

Sylvia Browne

Sylvia Browne showed us how to get in touch with departed loved ones in *The Other Side and Back* and *Life on The Other Side*. In *Visits from the Afterlife*, Browne journeys even deeper into The Other Side. With her trademark sixth sense, detailing stirring true encounters, she describes visitations with ghosts, in-transition spirits, and other troubled souls seeking peace and closure. She travels to locations as diverse as haunted homes and ships possessed by the otherworldly forces who walk their deserted decks. Through these spiritual visits, she explains the reasons behind many of the world's most bizarre and mysterious hauntings. And she shares her own personal, face-to-face experiences with these inexplicable phenomena.

From surprising revelations about the spirit world to moving reunions with those who have moved on, *Visits from the Afterlife* once again illustrates spirits' profound and eternal influence on our earthly lives.
