LONDON 1905 PREFACE My readers of 'Forbidden Fruit' may wish to know the origin of the work. It was this way, whilst I was staying at an out of the way village on the Sussex coast, I used to take long solitary walks, and several times saw a very beautiful girl sitting on a secluded part of the downs, attentively reading what looked like a manuscript in a black cover. Naturally I concluded she was some very studious young lady trying to improve her leisure, as she did not appear anything like the frivolous novel about what she was so intent upon. One day, on the same foot-path, I picked up what I believed to be her manuscript book, and looking curiously at the contents, was surprised to find it was a tale of the grossest kind, scenes of love and lust depicted in the most realistic manner.
