Le dernier complot des Valois (French Edition)

Jean-Marc Becquet, Matthias Becquet

Le dernier complot des Valois (French Edition) Jean-Marc Becquet, Matthias Becquet

Commis en pleine guerre de religion, sur le seigneur de Blanat, sa femme et leur receveur, ce meurtre a été jugé, en 1574. Les pièces de l'enquête et du procès étaient dispersées entre plusieurs fonds d'archives, il existait également des papiers, faisant allusion à ce meurtre, dans des fonds privés et disparus. C'est à l'aide de ces bribes éparses, que l'on peut essayer de reconstituer l'enquête, se poser un certain nombre de questions, et tenter de redresser quelques erreurs manifestes. Dans plusieurs ouvrages, Guynot de Blanat et sa femme Gabrielle sont assassinés dans la grande salle de leur château par une troupe protestante. Cette version d'un crime religieux ne pouvait que plaire aux différents historiens du XIX ième siècle, tant il était alors évident que les protestants ne pouvaient commettre que des crimes et les catholiques des actions louables. Il y a peu de temps que l'on peut tenter d'être plus équitable et se méfier de certaines sources. L'enquête policière va nous permettre de comprendre quatre siècles plus tard, ce Cold Case.
