Las Vegas cabdriver Jack Bruno (Dwayne "The Rock" Johnson) wants only one thing--to get through the next three days with no trouble. But when he gives Seth and Sara a ride, the trouble he gets in is out of this world...literally! It turns out that Seth and Sara are aliens who have crash-landed their spaceship in the middle of the Nevada desert. Now, in order to save their world and ours, they must recover their ship. But that is not going to be easy. A group of super secret agents have taken the ship and an assassin from their world is hot on their trail. With only the reluctant Jack to help them, Seth and Sara set out on an adventure that takes them from Las Vegas to California on a race to Witch Mountain!

In the 32-page early reader, younger fans of the film will get the chance to relive all the action and adventure of one of the most exciting moments of the film. With full-color photos and easy to read text, this will be a must for the 6 to 9 year-old reader.
