## **To Hear the Angels Sing: An Odyssey of Co-Creation with the Devic Kingdoms** Dorothy Maclean

In this classic book Dorothy Maclean tells her story of how she came to be one of the three founders of the Findhorn Community in Scotland. Following her inner contact with the Divine she came to communicate with the devic or angelic realms that over-light all aspects of existence. The success and subsequent fame of the Findhorn gardens arose in part from Dorothy's telepathic contact with these kingdoms. She now travels the world giving workshops and talks about her own inner practices and attunement to the Beloved. Many of the messages she received are included in this book. Their simple wisdom cannot fail to quicken an awareness of our birthright as conscious partners with all the evolutionary streams of life.
