## Traditional Logic II, Instructional DVDs Martin Cothran

For those homeschool parents and teachers who have felt ill-equipped to teach logic, there is no more excuse! *Traditional Logic* is now available on DVD.

Memoria Press debut video course features the author, Martin Cothran, teaching his popular logic course. With graphic slides illustrating key points in the text, Mr. Cothran covers every important aspect of the book explaining difficult concepts and illustrating important ideas with plenty of on-screen graphics. The Logic DVDs teach directly to the student and cover each lesson in the book as well as the difficult exercises. Using Mr. Cothran's video instruction, you can add logic to your curriculum with zero additional prep time in your already busy schedule. Used along with the *Traditional Logic* text, this new video course will enable your student to learn this important subject by bringing a logic teacher into your home. The course is ideal for students from 7th Grade to adult.
