Here's a juicy sample of what you're in for:

He turned her over, as her knees barked against the front side of the desk. Her belly met the edge and all of her air whooshed out of her lungs in a loud exhalation. Her breasts smashed flat against the wooden surface. He noticed her skirt was hiked up unceremoniously. His hand spread out against the white cotton. She knew that the dark cleft of her ass was visible though the material, and that the panties were a shade too tight and clung to her skin like a second layer.

His hand lifted then came back again, leaving a stinging behind. Sandra shrieked and jumped, her feet kicked and she almost lost her precarious balance.

He spanked her twice more, each little slap making her cry out and grow both wetter and hotter. Her desire had risen until it was almost nuclear hot. She was so excited she could barely breathe. The desk was cutting off her air as well and she was slightly dizzy as a result.

He pulled her backward just slightly. The panties yanked down, exposing her bared ass. She felt the air on her mound and labia and she whimpered as he ran a finger along the seam of her outer lips then parted them.
