Predator [Federal Paranormal Agency 4] (Siren Publishing Everlasting Classic ManLove) Olivia Black [Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Consensual BDSM Romance, M/M, shape-shifters, HEA] You have to be the best to go to war with the worst. That's the motto the agents of the Federal Paranormal Agency live by. They train hard to hunt down those that go rogue, enforcing the laws set down through the ages. They deliver justice to those that break the laws and save the innocent. They are the enforcers of the paranormal world. Reed Dolur is a private man. As a white tiger shifter and an agent with the FPA, Reed likes to keep his personal life separate from his professional persona. When he's off the clock, Reed spends time at Leather Men, a local BDSM club. One night Reed goes out, looking for a rough scene and meets a mysterious man. After an intense scene, Reed wakes up alone, his body carrying the marks of his Dom and the scent of his mate hanging in the air. Graham Bingham was an FPA agent, living and working in Los Angeles, California. When dead men start turning up around the city, Graham soon realizes that he's tied to each of the victims. Their bodies bear his marks, but he's not responsible. Someone is mimicking him, killing innocent men, and pointing the evidence in his direction. To keep the other agents on his team safe, Graham leaves his badge and life behind. When he meets his mate, Graham runs in the opposite direction. He doesn't think he'll be able to protect Reed, not with a killer stalking him. ** A Siren Erotic Romance
