*All is fair in love and business until someone comes along and steals your heart...*

When Cassandra Wells came home to take over her ailing father's business, she was shocked by the chaos that greeted her at the door. Utterly horrified at the condition of the motel and her father's serious debt problems, Cassie struggles to make sense of it all. But as she dives into the thick of things to try and straighten the mess out, Blake Forrest arrives and everything in her world seems to fall apart.

Blake is everything Cassie hates in a man: he's arrogant, entitled and domineering. But as time goes on, sparks begin to fly between them and suddenly Cassie's forced to make some tough decisions. Will she accept an unexpected offer to buy the motel and fix her financial problems or will her pride prevent her from considering an offer from a man she never knew she even wanted?

*The Desire to Control Series follows the story of Cassie and Blake's sexy love affair in three steamy volumes:*

**The Offer:** Can Cassie put her pride aside and accept an offer she wants to refuse to save her father's business from a man she barely even likes much less trusts?

**Dare to Submit:** Now that Blake has managed to light a spark of desire in Cassie, will she find the courage to follow her feelings or will fear force her to leave him and the pleasures of his world behind?

**In the Line of Fire:** Will Cassie and Blake find their way to "happily ever after" or will an embarrassing confrontation with Cassie's ex prove to be the beginning of the end of their relationship?

**BONUS: Chapter From Each New Series: Credentials, Jamaican Sunrise, The Billionaire's Song**
