Book One in the Debt Collection series

Mechanic and mob enforcer Ben Beciraj can't believe his eyes when Houston socialite Aston McNeil storms into his chop shop and demands the return of the car he's just repossessed as collateral on her stepbrother's defaulted loan. When the fiery blonde heiress offers him anything to get it back, he counters with a deal he never expects her to accept—one week at his beck and call for the keys to her late father's classic car.

But Ben's plans to have a little fun with a girl way out of his league are shot to hell after one taste of sweet, beguiling Aston. When her stepbrother's shady dealings are revealed, Ben will do anything to protect her from the seedy underworld he inhabits—even if it means crossing the only family he's ever known.
