"Heaven's Fire" may be what Pasquale Firenze, patriarch of the family-owned Firenze Fireworks, calls his painting of the night sky with light, color and sound, but television producer Wendy "Jake" Jacobus has more practical considerations than her featured showman's artistry. Or so she believes, until Pasquale is killed--live on-camera--by an explosion, and Jake is hurled into a tangled web triggered by her job, her legacy as a cancer survivor, and her growing attraction to Simon Aamot, the federal agent assigned to the investigation. Aamot has problems as well, but when the two are forced together by the tragedy, the man unable to let go of his past and the woman afraid to trust her future must race to prevent another catastrophic explosion--this one at the county's Fourth of July celebration. "Equal parts thriller, romance and family saga . . . a compelling and deeply human read." --Joan Johnston, New York Times bestselling author of *Texas Bride* "Rooted in the dangerously exotic world of a multi-generational fireworks company . . . spell-binding." --Jeremiah Healy, award-winning author of *The Only Good Lawyer* and *Spiral* "A fast-paced mystery that explodes off the page." --Ali Brandon, national bestselling author of *Double Booked for Death*

#### **Julie Nealy:**

As we know that book is essential thing to add our information for everything. By a reserve we can know everything we want. A book is a group of written, printed, illustrated or blank sheet. Every year was exactly added. This reserve Heaven's Fire was filled about science. Spend your spare time to add your knowledge about your scientific disciplines competence. Some people has distinct feel when they reading some sort of book. If you know how big advantage of a book, you can experience enjoy to read a e-book. In the modern era like at this point, many ways to get book that you simply wanted.

#### **David Baxter:**

As a student exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's spirit or real their passion. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Heaven's Fire can make you feel more interested to read.
