I Am Small Emma Dodd

Cuddle up with your little penguin this winter!

"The world is big and I am small."

From the eyes of a baby penguin the world is a great big place. The sky so high, the ocean so deep, and the mountains so steep--all these things are magnificent from it's point of view. But in the eyes of it's mother--this little penguin is the biggest, most important thing in the world! This beautiful story is highlighted with foil on the cover and throughout.

From reader reviews:

Connie Simpson:

Book is to be different for each grade. Book for children until eventually adult are different content. As we know that book is very important for all of us. The book I Am Small had been making you to know about other information and of course you can take more information. It is quite advantages for you. The publication I Am Small is not only giving you far more new information but also being your friend when you sense bored. You can spend your spend time to read your guide. Try to make relationship while using book I Am Small. You never sense lose out for everything if you read some books.

Randy Anderson:

In this 21st centuries, people become competitive in each way. By being competitive now, people have do something to make these individuals survives, being in the middle of the actual crowded place and notice simply by surrounding. One thing that oftentimes many people have underestimated that for a while is reading. That's why, by reading a book your ability to survive improve then having chance to remain than other is high. To suit your needs who want to start reading any book, we give you that I Am Small book as nice and daily reading publication. Why, because this book is more than just a book.

Ernest Pettaway:

As people who live in often the modest era should be up-date about what going on or details even knowledge to make these individuals keep up with the era that is certainly always change and advance. Some of you maybe can update themselves by examining books. It is a good choice in your case but the problems coming to anyone is you don't know which you should start with. This I Am Small is our recommendation to make you keep up with the world. Why, since this book serves what you want and want in this era.

Linda Bryant:

Your reading 6th sense will not betray a person, why because this I Am Small book written by well-known writer we are excited for well how to make book that can be understand by anyone who else read the book. Written within good manner for you, dripping every ideas and publishing skill only for eliminate your own personal hunger then you still skepticism I Am Small as good book but not only by the cover but also through the content. This is one reserve that can break don't evaluate book by its include, so do you still needing another sixth sense to pick this!? Oh come on your looking at sixth sense already said so why you have to listening to an additional sixth sense.
