Invader Moon (Permuted Press Presents)

Rob Shelsky

Invader Moon (Permuted Press Presents) Rob Shelsky

Look to the skies for a warning—the alien moon agenda!

Was the moon always in our skies? UFO investigator Rob Shelsky doesn't think so.

Did the arrival of our moon trigger the rise of civilization? Did it destroy existing ones? Did it cause the Great Flood? Just who brought the moon to us and why? And did they invade our world as well?

Shelsky supplies compelling evidence our moon is a recent arrival—and it was no accident!
