## **Making the Case: How to Be Your Own Best Advocate** Kimberly Guilfoyle

After an eleven-year-old Kimberly Guilfoyle lost her mother to leukemia, her dad wanted her to become as resilient and self-empowered as she could be. He wisely taught her to build a solid case for the things she wanted. That childhood lesson led her to become the fearless advocate and quick-thinking spitfire she is today. In *Making the Case*, Guilfoyle interweaves stories and anecdotes from her life and career with practical advice that can help you win arguments, get what you want, help others along the way, and come out ahead in any situation.

Learning how to state your case effectively is not just important for lawyers—it's something everybody should know how to do, no matter what stage of life they are in. From landing her dream job right out of school, switching careers seamlessly midstream, and managing personal finances for greater growth and stability to divorcing amicably and teaching her young child to advocate for himself, Guilfoyle has been there and done it. Now she shares those stories, showing you how to organize your thoughts and plans, have meaningful discussions with the people around you, and achieve your goals in all aspects of your life. You'll also learn the tips and strategies that make the best advocates so successful.
