## **The Contract E J Henry**

‘Time is the most valuable thing that a man can spend’

Diogenes Laërtius, 3rd century biographer of the Greek philosophers

The Sniper never misses. He is the best shot in the movement and has a burning hatred for America and in particular his target.

The Target is an Under Secretary of State in the United States Government. He is a fiercely ambitious rising political star with strong views on how to combat terrorism in the Middle East.

The Hit takes place with devastating but unexpected consequences for them both. Their lives will never be the same again

The Contract is not what it seems.
