The Hidden Path Behind Initiation Nick Farrell

In the late 18th century two prominent German esoteric masons wrote a fantasy about an Ancient Egyptian Magical Order called the Crata Repoa. It was influential in the development of many masonic and esoteric groups through-out the 18th and 19th centuries and its influence can be indirectly seen on modern groups such as the Order of the Golden Dawn, the Ordo Templi Orientis and even modern Wicca. As the knowledge of Egyptian history developed, Crata has become disregarded by those who had taken it literally and it has been largely ignored. What Nick Farrell sets out in this book is that Crata Ropea was an example of an esoteric allegory written by two adepts to explain the path of initiation and goal posts to other esoteric experts. Once you have broken the symbolic code behind the book you can see advice, guidance and direction for various points of your esoteric life.
