The Kelly Green Men: Alien Legacy Revisited is a companion book to Alien Legacy. Many people have come forward giving their accounts of that night in 1955. In this book, we will learn of things that happened that very, very few people know about. Was the military involved? Why is our government not telling us what we need to know? You will also get to learn about other places that have had unusual occurrences going on for years. You will also find out about the goblins that are living in another area of Kentucky that may be related to our green men. Hang on for an entertaining ride of huge paranormal proportions!
