The Seven Spiritual Weapons : Catherine of Bologna Catherine of Bologna

St. Catherine of Bologna, much venerated in her own city, has been little known outside of her native region but interest in her is now increasing. The outline of her life is clear and her own work, *The Seven Spiritual Weapons*, tells a good deal about her inner experiences and early years in the cloister. The introduction to this translation situates her life in the history of Ferrara and Bologna and studies how the external history of the community impinged on Catherine's own religious experience and how it was interwoven with her successful struggle against depression.
