Cut and Create! At the Zoo

Cut and Create! At the Zoo

Thirty-five engaging and colorful zoo animals will brighten your classroom and bring a big grin to your students' faces! While your children enjoy the process of creating these familiar figures, you will be building a firm foundation for students' visual-motor skills, a necessary prerequisite for cognitive development. These cut-and-create projects have also been designed to reinforce basic math skills including grouping, ordering and spacial orientation. Simple, illustrated, step-by-step instructions and patterns are included for each project.
