This book isn't just for fathers, but it isn't for everyone. It might be for you if you've ever changed jobs, moved out of one home into another, or had to explain the dead fish to a three-year-old. It might be for you if you are still enough of a child to ride the roller coasters, go sledding in the winter, or toss food up the air so you can (try to) catch it on the way down. If you go to weddings, if you dread the day your dog may be put down, or losing loved ones, you might want to read this. If you are older than fourth grade and know the real truth about Santa Claus, read this. If you're not sure, have someone else read it and decide for you.
