**Part Three of the Make Me Serial**

**Attraction melts into obsession in *New York Times* bestselling author Beth Kery's latest installment of her beguiling new serial novel...**

Even as Jacob offers Harper a life of luxury and indulgence that thrills all her senses, she grows wary of this powerful man and his unquenchable desires. In their most intimate moments, Harper can't help but submit to his seductive demands. But the man outside the bedroom, whose early business dealings carry an air of questionable origins, who refuses to share even the smallest detail about his past, is an entirely different story...

Jacob worries that, deep inside, Harper must recognize who he really is—the boy he was before he became a powerful, billionaire mogul. As much as he craves acknowledgment of their shared past, he dreads she might call him out as a fraud and leave his life forever...
