A Curriculum for Individuals with Asperger's Syndrome, High Functioning Autism and Related Disorders In this resource for both parents and professionals, the author, the mother of a daughter with autism and a physician, has created user-friendly programs to address social and emotional delays in individuals with Asperger Syndrome and high-functioning autism. Throughout, it is the author's intent to provide the missing link between "a head packed full of ideas" and a strategy for putting the newly acquired information to work in the classroom or at home.
