Oh Men of America Where Are You?

Dorian Paul Williams

Oh Men of America Where Are You? Dorian Paul Williams

Oh Men of America Where Are You is an out of the box, candid, in your face call to arms for men of America. It is poignant, and at times politically incorrect. But most of all it is an honest depiction and observation of the author's perception of men and where they stand in their communities, with themselves and in the eyes of others. It urges participation, productiveness, proactiveness and preemptive thought and action. Oh Men of America Where Are You? asks men to stand up be counted and accept accountability when it comes to governing home, work, and dealing with their obligations to society as well as those in their inner circle. It also asks men to self reflect on themselves, their roles and their responsibilities as men.
