In the movie industry, the rough cut is defined as the raw, first edition of a movie, which provides an idea of what the finished product will look like, giving indications of where it has problems and where it excels.

Much like a rough cut movie, Rough Cut Men are not the “finished product”. We are a work in progress. Philippians 1:6 reads: “being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.”

Men today have hundreds of acquaintances, but most have no real friends. Men are isolated and struggling alone. And while the Bible says we are to “Pity the man who falls and has no one to help him up.” (Ecc. 4:10), most guys go into the battles of life with no covering fire. Every man needs a battle buddy.

Rough Cut Men utilizes a strategic blend of “guy” movie scenes, real world tales of men, Biblical Truth and even throws in some of the author’s personal testimony to accomplish one focused mission: To get men talking to each other about what’s really going on in their lives. Each chapter contains hard-hitting questions designed to drive men deeper in their walk with other men and with Christ.

Rough Cut Men is real, raw and authentic. And it will equip you for the battle.
