## **Wanted (Addicted Trilogy) (Volume 3) S. Nelson**

Did you ever have something so tragic and frightening happen that you did everything in your power to convince yourself it wasn't real? Have you ever been so paralyzed with fear you prayed that if you simply closed your eyes and slowed your breathing, everything would be fine? Yeah, me too. Only this time, none of that worked. When Sara's past comes back to haunt her, she's enveloped in a world that only existed in her nightmares. Taken, her life flashes before her eyes as the one man who threatens her existence slowly lets her in on his plans for their future. When the woman he loves is snatched from his life, Alek's world is turned upside down. On his way to rescuing Sara, he's faced with decisions that could change both of their lives forever. Will his uncertainty rip apart their fragile relationship forever or will he rethink what he's about to do?
