The whole trip had been planned around her meeting Tyler her soon to be stepbrother. Her mom Rachael and Tyler's dad David had planned the whole trip to Newquay in Cornwall; even the name didn't excite Mia. Her opinion changes though once her green eyes fall on Tyler. He's 6' with pale blue eyes and a muscular body. Mia, being the fiery redhead that she is speaks her mind when she first meets him. Tyler isn't discouraged though in fact quite the opposite. Their dilemma soon becomes apparent. They're attracted to one another in a whole new way than just as stepsiblings.

In *Omega Apprentice*, Omegas don't really have a lot of options as far as jobs. They can flip burgers, style hair and work for Alphas. They couldn't work in any real jobs. They were expected to stay home and take care of the children. Their job was to please their Alpha. Matt didn't feel that way. He wanted to rise to the top, and he was determined to do it. He put on his suit and grabbed his bag after downing a bagel. He checked the mirror to make sure his blond hair was perfect as he made his way out the door to find his fortune.

In *Bagging the Billionaire*, agging the Billionaire tells the story of Nathaniel Gates, a bad boy billionaire with a great reputation despite his constant womanizing. Though everyone knows about his behavior and his constant seduction of plenty of women, sleeping with them just once but never going past that, he always has many options of who he wants to take home for the night. Despite this, no negative rumors ever circulate around him and he is always admired for his success. This does result in him not feeling connected to people

but that is something he will soon find has a fix. When his assistant surprises him with the news she must leave, they hire Velma as his new assistant and the way she treats him unlike anybody else has some unexpected and steamy results.

In *Finally Taken*, Katarina was back from an amazing summer road trip, only to find that she was short on tuition for the next year. With the term fast approaching, Kat takes a job with one of her friends at a local bar. She quickly finds herself in the middle of dangerous illegal activities and on the wrong side of the wrong man. With her safety in jeopardy and no hope in sight, she is saved by a dark-eyed man that promises to keep her safe. Kat soon learns that her plight is not over, as Carlos has his own secrets that are trying to crawl their way to the surface.

In *Fever*, ore than one hundred thousand hungry souls sat waiting in the darkness for just a spark, something to quench their insatiable desire for the goddess of flame--that fiery temptress that consumed their senses. She appealed to not only the most carnal desires of lust and love, but also the human desire to aspire for more. She inspired the heart and moved the body.
