Writing letters is no mean feat, some of us think and ponder over them and some of us just set out and do it. I wanted to write a book on Benedict since last year and that's when this should have been finished, but time and tide and all that comes to mind. Thankfully it's done now and hopefully it's different, since I didn't want it to be another biography. But something that will be enjoyed, bring some laughter and maybe inspire someone to pen their own letters.
