The Skull Ring Scott Nicholson

Julia Stone is piecing together childhood memories of the night her father vanished, but when she discovers a strange silver ring bearing the inscription "Judas Stone," she becomes the target of a sinister cult. The local handyman offers to help, but he has his own shadowy past. Julia's therapist can't be trusted, and even the police seem to be against her. And the closer she gets to the truth, the louder the whispers that claim her body and soul... From the author of **THE RED CHURCH**, **THEY HUNGER**, and **DRUMMER BOY** comes a psychological thriller that explores a journey of mystery, romance, and faith.
