## **William & Catherine: A Royal Wedding Souvenir** Annie Bullen

This Royal Wedding souvenir celebrates the true love match between William and Catherine as the couple begin their married life and transform the monarchy into something thoroughly modern.

On April 29, 2011, Prince William, son of His Royal Highness Prince Charles and the late Diana, Princess of Wales, married Catherine (Kate) Middleton at historic Westminster Abbey in London. This special souvenir guide celebrates the social event of the year and also tells a fairy-tale story of friendship, love, and courtship. As the prince and Catherine take their first steps in married life, the eyes of the world will be watching this couple who will one day become king and queen and who are now the image of a modern monarchy. The book covers every detail of the wedding as well as the public and private faces of the royal couple and their story so far: Prince William and Catherine's childhood years, their achievements and interests, and the moment they met at St Andrews University almost 10 years ago.
