**The burn might be hotter than either of them could handle...**

Tiana Rossum's mad. Really mad. The owner of a successful bakery in Dallas, she's learned to not trust those around her the hard way. After fending off burglars, dealing with absent staff and generally pulling her hair out, the curvy baker deserves a vacation, right? And what kind of a break would be complete without a scorching hot werebear she's never even met before!

Royce Hamilton has found himself faced with a problem. Scheming relatives have brought him face to face with the possibility of losing his family homestead. That is, unless he and his brothers marry within a year. Impossible! Or maybe it isn't... When sassy, spirited Tiana walks into the gruff firefighter's life, he knows he's in for one hell of a ride and he'll be damned if he lets this treat go, house or no house.

With wildfires threatening Shifter Grove and Tiana's heart and hand on the line, can Royce beat the odds and conquer both? And will Tiana learn to trust again or has she gotten burned one too many times?

*Firebear Brides* is a series of mail-order bride books set in Shifter Grove, Idaho. Each book can be read as a stand-alone. Guaranteed HEA/HFN ending! Beware of LOTS of steam!
