## Business Hacks: A Guide for Start-ups and Entrepreneurs Andrew Leong

Have you ever dreamed of becoming an entrepreneur and starting your own business? Have you ever imagined building your own company and brand? Perhaps you don't want to become a fulltime entrepreneur, but you'd like to learn how to generate extra income streams. If so, below are probably just some of the questions you'll have when starting your own business. - How do I start a business? - How do I bring my ideas to life? - How do I raise the necessary finance? - How do I make a website or ecommerce store? - How do I set up a business email address? - How do I market my business both offline and online? - How do I sell my product or service? - How do I charge customers or take payments? - How do I find suppliers? 'Business Hacks: A Guide for Start-ups and Entrepreneurs' answers those questions and tells you all you need to know about becoming an entrepreneur. Jamie and Andrew discuss how to actually set up a business from a high level big picture view right down to the low level details. Jamie and Andrew have specifically removed any jargon or complicated business models to give you, simple, step-by-step instructions in plain English!

Whether you want to make some extra money on the side while you stay employed, or if you want to become a fulltime entrepreneur, this book is all you need to get started.
