Success and Prosperity 101: Christian Mind-Science Made E-Z Bill Tharp

"Success and Prosperity 101: Christian Mind-Science Made E-Z" is a collection of 5 short-read Mind-Science "Little Books" by New Thought author, Bill Tharp, putting the simple Truth of How Life Works within easy reach, allowing you to Discover the Magic Power of Your Deeper Mind and Spirit to Shape Your Reality.

These 5 "Little Books" which unfolded over the years from 1996 thru 2013, can be your "stepping stones" to a simple understanding of what you can do to help your dreams come true.

There is a potentially life-changing Essential Message repeated 5 times in this collection of "Little Books" making it easier to grasp and keep in mind. Once grasped you will no longer be a victim of circumstances, unless of course, for some odd reason, that is your choice. You will be able to begin making a more positive difference in your life even before you have finished reading the last "Little Book".

If you are experiencing difficulty in life and are willing to listen to some "straight talk" about How Life Works and What You Can Do To Help Yourself, you will want to read these 5 "Little Books". This collection is inexpensive, but the guidance being offered comes as a result of the author spending thousands of dollars, and thousands of hours, reading more than a thousand books related to health, wealth, happiness, and success. This "Little Book" library is a treasure chest of ideas that have been priceless in the minds of many who have already achieved, or are currently achieving their Heart's Desires.

There is Magic in this world and everyone is using it but most people are using it unawares, and so, are using it incorrectly much of the time and are often disappointed with their results, much like the Sorcerer's Apprentice in the Walt Disney animated film. If you have been one of those and you would like to change that situation, the Good News is, for a very small investment of money and time, YOU CAN LEARN HOW, VERY QUICKLY, reading "Success and Prosperity 101: Christian Mind-Science Made E-Z". Once you begin seeing the rewards for your efforts, you will never want to quit, and you will be very pleased with yourself for taking action now, before you get any older, or too worn out or burned out to believe or care. Life is a Game you can win. You just have to know how to play it.

ABOUT THE AUTHOR: Bill Tharp is a U.S. Air Force Veteran, and Ohio University graduate, a former Ohio public school teacher, and a perpetual student and teacher of Mind-Science. He was first published in Su Llewellyn's Mystic Fiction short story magazine in 1994. Since then he has self-published more than a dozen writing projects similar to this one, and presently has a full-length visionary fiction book (titled "The Magic Bottle", written under the pen-name of Dr. DeLight) and a short-read visionary fiction story (titled "The Master's Secrets") available as Kindle-books.

Mr. Tharp prepared for the writing of the "Little Books" included in this writing project by feeding his own hunger for Wisdom and validation of the "Truth" he felt within. Over more than 20 years, he created his own "advanced degree program" by going to hear some of the top-ranked motivational speakers in Ohio and the nation, as well as listening to dozens of motivational tapes, and reading more than 1000 books in the broad field of personal development as it relates to Success and Prosperity. Mr. Tharp wanted the knowledge of all

of those experts for the obvious reason of making his own dreams come true, but, as a Teacher, he also wanted this knowledge so that he could share it with others and be instrumental in helping them to lift themselves up in every desirable way. Since 1975 Mr. Tharp has felt his "calling" to be "to help other peoples' dreams come true." It is with that in mind, that he put together this collection of "Little Books" that make up "Success and Prosperity 101: Christian Mind-Science Made E-Z, as a Kindle-book.
