The Navarre Bible: The Epistle to the Hebrews (Navarre Bible: New Testament)

The Navarre Bible New Testament commentaries offer extensive explanations of the meaning of the scriptural text and its implications for everyday life. The commentaries draw on a rich variety of sources - Church documents, the writings of the Fathers and Doctors of the Church, and the work of prominent spiritual writers, particularly Saint Josemaria Escriva, who initiated the Navarre Bible project. The commentary appears on the same page as the Bible text, which is the Revised Standard Version Catholic Edition. Each volume is self-contained with extensive introductions and notes to Old Testament prophecies. The Navarre Bible commentary is considered by many to be the best Catholic commentary on the Bible available today.
