Watch Me (A Touched Trilogy) (Volume 3) Angela Fristoe

From USA Today Bestselling Author Angela Fristoe comes the concluding installment of an emotionally touching trilogy for young adults, Watch Me The Matlin triplets are gifted with unique abilities. Phoebe hears the lies, Lily heals the hurt, and Chloe sees the future. For Chloe, her gift of prophecy has proven the future to be unshakeable. Nothing ever changes and no one really has a choice. The future is what it is, and Chloe accepted that a long time ago. Then her sisters convince her to try changing her future. When she succeeds the black and white certainty she's always had vanishes. It turns blurry with infinite possibilities she can barely distinguish and everything she ever expected to happen is lost. Only Sebastian's future gives clues about what's coming and it's filled with images of blood and death. But Chloe can't change the future when the choices aren't hers to make and if she can't change it, can she accept it? *Some things are worth waiting for. Your future is one of them.*
