Best Kept Secret: The Clifton Chronicles, Book 3 Jeffrey Archer

***New York Times* best seller Jeffrey Archer continues his beloved Clifton Chronicle series as Harry and Emma finally begin building a happy life - but a dangerous family enemy is about to resurface....**

Best Kept Secret opens a moment after the end of *The Sins of the Father*, with the resolution of the trial and the triumphant marriage of Harry Clifton and Elizabeth Barrington, finally uniting their family. Harry, now a best-selling novelist; Emma; their son, Sebastian; and orphaned Jessica make a new life for themselves, but all is not as happy and secure as it could be. Emma's brother, Giles, is engaged to a woman who may be more interested in Barrington's fortune and title than in a long and happy marriage. And Sebastian, though he is bright, isn't quite the hard worker that his father was at school, and finds a hard time resisting the temptations that his somewhat unsavory friends provide.

It all comes to a head when a new villain is uncovered, a face from the past with grudges against both Harry and Giles - Fisher, who tortured Harry at school and later took credit for Giles' heroics during the war. Fisher teams up with Giles' now ex-wife to wreak havoc on Giles' latest election as well as meddle with affairs inside Barringtons, while Harry and Emma must deal with a new scheme that Sebastian has unwittingly fallen into with a supposed friend. The drama continues for Harry Clifton and his family, bringing this mesmerizing saga into the 1960s.
